

Immaculate Conception Parish
Irvington, New York
9th Annual Golf Outing

Dear Friends,

The ninth annual parish golf outing was a huge success. This year we have raised \$55,000 in thanks to your continued generosity.

The golfers enjoyed a beautiful day followed by an evening of fun, delicious food and many prizes. Your generous contributions to this event are much appreciated. The outing brings together members of our parish for a day of fun and connection as a parish community. For all of the generous supporters that were unable to attend we hope to see you for golf, dinner or both next year.

A special thanks to all the sponsors and all those who give so generously.

On behalf of Father Byrne and all of the committee members, we would like to express our sincere gratitude to you for supporting this event.

Thank you,

Rosemary Devlin, Michael Ferraro and Jude Ferraro
