*The recent atrocities by both sides in Iraq are revolting! Many tears and great loss and sadness envelop both American and Iraqis. More than 2,500 Americans and countless Iraqis (we don't count them – it may be as high as 100,000) have died, many more have been maimed physically and psychologically. For What?!!! This ongoing war is not worth the value of one life!*

*It is time for all Americans and especially we Christians to say stop! Enough! This must not turn into another Vietnam. Speak out, write your representatives to begin a carefully planned withdrawal from this quagmire!*
